Dear Artist Applicant:

Thank you for your interest in the Mural Arts Program (MAP). It is our mission to represent the work of diverse artists, and to enrich our neighborhoods and communities. We strive to appropriately match artists with mural painting and teaching opportunities throughout the City of Philadelphia. Enclosed please find the MAP artists' application for participation in our program.

Applications are accepted on a rolling basis and reviewed as project opportunities become available. Please know that the number of application we receive exceeds the number of artists we can hire for projects. Therefore, we will contact you as opportunities arise. We will also include you on our mailing list, and you are welcome to update your file with us at any time.

So that we may start your artists file, please submit the following items (All items must be received for you to be considered for a position with the Mural Arts Program):

- 1) Completed artists application
- 2) Current resume
- 3) 10 slides of color photocopies of your work. Although you are welcome to send images of work in any medium, you must include at least two examples of two-dimensional work. All images must be labeled in the following manner: # 1-10, artist's name, title of work, and date. Please note: labels protect your images against loss. All submitted images are for our permanent files and will not be returned. Do not send original artwork, photographs, or images for which you do not have duplicates. For space considerations, please do not send portfolios or binders.
- 4) Image sheet that corresponds by number to the submitted slides or color photocopies. This sheet should include the information given on image labels, as well as the medium and size of each piece.

Applications can be delivered by mail or in person to:
